DO'S & DON'T'S :

DO'S	DON'T'S
Maintain strict discipline & proper handling of apparatus.	Do not touch or attempt to touch the main power supply directly with bare hands.
Before switching on power supply get it check by instructor.	Do not manipulate the experimental results.
Always clean the tables after completing your work.	Do not overcrowd the table & litter in lab.
Assess the risks before you approach your work.	Do not indulge in horseplay while at work.
Be a keen observer while performing experiments.	Do not carry any lab equipment outside the lab & temper with equipment's.
When you mentally or physically tired then avoid to work in lab.	Never exceed permissible value of current, voltage or speed of any machine, apparatus, wire, load, etc.

Note :- 1. You have to maintain regularity of doing work for this club.
2. Registration fees is not refundable at any cost.

Undertaken Form

To,
Head of Department,
Electrical Engineering Department,
Maharashtra Institute of Technology,
Aurangabad - 431005.

Sub: Undertaking letter with acceptance of terms and conditions

Respected sir,

As per the above mentioned subject, I Mr/Miss _____ student of _____ from Electrical Engineering Department, provides an undertaken that I am joining the “**CHARGE CARRIER’S CLUB**” and I unconditionally accept all the terms and condition of this club. I will follow all instructions of club co-ordinators as well as instructor. I will follow all the rules and regulation of laboratory and also handle all components in laboratory very carefully. I will keep the laboratory clean and also maintain my daily record properly.

In case there will any damage of component/s because of me, then I will give the compensation for that. While working if I got any physical damage then only I will be the responsible for that, no other members, department or college responsible for that. I will not make any arguments with instructor or coordinators and work as a team with them.

I will work in laboratory with complete attention and sincerity. I will also follow all do's and don'ts which are mentioned. I will not make any misuse or temper the components. I will maintain discipline during work time. In case I will not following instruction and rules of club then club instructor or coordinator has right to suspend me from the club.

Thanking you...!

Yours faithfully,
